

ADULT OUTREACH

WHO WE ARE

Adult Outreach provides services statewide, at no charge, to adults who are deaf, hard of hearing, or late-deafened, as well as their families, employers, and service providers.

WHO WE SERVE

Adult Outreach serves as a state resource center to provide advocacy, leadership, and educational expertise for all adult individuals in North Dakota who are deaf or hard of hearing.

WHAT WE DO

The Adult Outreach Department:

- Provides information and consultation
- Assists with access to Assistive Technology
- Provides training and educational presentations
- Facilitates monthly Resource Group meetings across the state
