

# COMMUNICATIONS

## WHO WE ARE

Members of the Communications Department provide language support services to ensure that individuals who are deaf or hard of hearing gain access to, utilize and benefit from the educational services and other resources in their communities.

## WHO WE SERVE

We serve students and adults across the state who are deaf or hard of hearing.

## WHAT WE DO

Members of our department:

- Provide sign language interpreting services to individual schools and state agencies in person or via video conferencing platforms (Zoom, Google Meets, MS Teams, etc.)
- Provide free basic sign language instruction to any interested individuals (both online and on-campus).
- Advocate for and ensure that support services such as captioning, note-taking, and sign language interpreting are provided as needed.

- Maintain an updated referral list of freelance interpreters who provide services in North Dakota at [www.ndsd.nd.gov](http://www.ndsd.nd.gov)
