Disclaimer: Interpreters in North Dakota are mandated by law to hold national certification in order to work legally/professionally and/or for profit. Individuals that hold certification from either the *Registry of Interpreters for the Deaf* (RID) or the *National Association of the Deaf* (NAD) are certified to work in a variety of business and professional settings. Interpreters that have obtained a score of 3.5 - 5.0 on the performance portion of the *Educational Interpreters Performance Assessment (EIPA)* are certified to work in K-12 educational settings. The interpreters listed below are not endorsed or in any way recommended by the *ND School for the Deaf/Resource Center for Deaf & Hard of Hearing* other than the fact that they have demonstrated skills that meet a standardized level of acceptance as determined by evaluations provided by RID, NAD or EIPA at the state or national level. The list is not comprehensive and will be updated on a regular basis.
