### **The history of the camp:**

*The North Dakota School for the Deaf established a summer camp program in June of 1987. It's goal is to give children with different hearing levels from throughout North Dakota an opportunity to meet other campers similar to themselves and to participate in an assortment of camp activities.*

*Since 1987, NDSD Summer Camp continues to provide a wide range of educational and recreational experiences. Campers will participate in a variety of typical camping activities such as swimming, canoeing/kayaking, arts and crafts, horseback riding, climbing, lawn games and more.*

Summer Camp  
June 9-13, 2025*

*Held at the Triangle YMCA  
Camp west of Garrison, ND*

## Communication Accessibility

*Communication appropriate to the needs of the individual camper are used by the camp staff. The purpose is to ensure ALL campers have communication access and understanding to fully participate with camp activities.*

*These methods include: gestures, speech, writing and sign language.*

## Camp Staff

Our enthusiastic camp staff have a variety of experiences working with children having hearing loss. Camp has about one counselor for every five campers and is overseen by a camp director.

NDSD staff will be at the Triangle YMCA camp to meet, greet and register campers and be with them all week.

Triangle YMCA Camp is located 1251 47th Avenue NW, Garrison, ND 58540  
(West of Garrison)

Camp was [my child's] first real experience meeting other kids who have hearing loss. The leaders at the camp were wonderful and truly care about the kids attending camp. It was a great experience for [my child] to be surrounded by different methods of communication. I would recommend camp to anyone who has a child with hearing loss. Camp offers our children a place to be together with other children who understand some of the challenges and success they deal with. Friendships and memories will be made that the kids will talk about for years to come."
